PRICING GUIDE

PRICING SUGGESTIONS

- You decide how much you would like for an item. The pricing suggestions below are for reference use only.
- Please note that we are an upscale resale event and no item that is stained, torn, broken, smells bad or is unsafe will be accepted.
- We only accept new or gently used items priced at \$1.00 and above. If you have an item that you would like to sell for less, pair it up or donate it please.
- Typically items are priced 1/4 to 1/2 retail prices.
- Items freshly pressed sell better than something wrinkled. If it smells bad at all then we cannot sell it.
- Price items to go at 1/2 price. Remember, getting 1/2 price is better than nothing.
- Quality is our #1 concern. While we will accept discount brands, we highly encourage you to price discount brands to SELL. These prices are reflected in our suggested pricing guide. Discount Brands will be placed on special discount brand racks within the sale.

We have divided the pricing guide up by 4 categories. Below is a very basic list of example brands to give you an idea of what brands should be included in each pricing point.
